

South Africa hunting safari for 4 hunters – Experience the magic of hunting in Africa with this package offered by Kuche Safaris. Most of the hunting is done in the Limpopo province of northern South Africa. Kuche Safaris is offering 16 animals (4 for each hunter) with this package. Animals include 1 Impala or Blesbuck, 1 Blue or Black Wildebeest, 1 Warthog or Springbuck, and 1 management animal.

Kuche Safaris is ready to cater to rifle, bow, crossbow, and even pistol hunters. Other trophy animals can be acquired through Kuche Safaris if desired. Kuche Safaris makes use of privately owned concessions and therefore can offer a wide variety of game and quality trophies. Kuche Safaris hunting areas offer 52 different species of animals which can be hunted and the ability to relocate to other camps (if needed) to fulfill your wish list for specific trophies. Let Kuche Safaris build this safari around your needs and physical skills.

The trip includes:

- 16 donated animals – each hunter gets 3 trophy animals and 1 management animal*
- 6 nights lodging, 5 days hunting for 4 hunters at one of Kuche Safaris' hunting camps**
- 1 night hunting trip to harvest animals (not an observation ride)
- daily meals, beer and wine (in moderation), soft drinks, and water
- Transfers to and from the airport
- Assistance with referrals for the importation of Rifle(s)
- All Professional Hunters (PH), Skinners, Trackers
- Field dressing of all game harvested and delivery of animals to taxidermy
- Laundry service
- 10% off Kuche Safaris' taxidermy done on location
- 10% off additional animals
- 15% VAT Tax
- 3-years to take the trip

**Management animals are to be determined by Kuche Safaris to manage species overpopulation.*

Animal packages cannot be shared between hunters.

However, a pair of individuals (one designated hunter and an observer/non-hunter) can share the animal package of the designated hunter.

*** Kuche Safaris makes use of their different hunting camps in different areas to control hunting pressure and manage wildlife in their hunting areas. The hunting camp will be determined by Kuche Safaris based on species selected for harvest and any add-on animals.*

All animals are guaranteed to meet or exceed Safari Club International (SCI) minimum score required to enter the record book scores or the hunter will shoot another for free.

Free animals are determined based on the hunting location as part of the Kuche Safaris management program and cannot be trade for other animals. Hunting location will be determined on buyer's additional animal wish list.

***Not included:** Package does not include airfare, restaurant dining, voluntary tips and gratuities, or off-site excursions. Bookings are arranged on a first-come, first-served basis. Kuche Safaris reserves the right to accommodate observers/non-hunting guest at an additional cost negotiated with Kuche Safaris. Trip must be taken within 36 months of purchase. Hunters must be 16 years of age or older to hunt, or pre-approved by Kuche Safaris.*
