Don't unpack your bags just yet!

Today our world looks vastly different.

The desire to congregate is cautiously anticipated but may seem far off to many. DU was born during hard times, with our roots in the Dust Bowl, we know our mission must carry on. Our work is being guardians of North America's wetlands, raising awareness and generating the most effective fundraising program in conservation.

We gather to learn, to be inspired and to celebrate with our DU friends from across the country. We have an opportunity to do just that, September 16-19, 2020 in Orlando, Florida, the postponed date for our 83rd Annual Convention. As we plan for convention, your health concerns are at the forefront. With social distancing in mind, we are allowing for increased space in meetings and at social gatherings as well as additional precautions to keep you safe. We are also allowing for a generous cancellation policy of three days prior to arrival with a full refund. All we ask is if your plans are to attend you register so we may begin our work keeping you safe and entertained once onsite.

We hope you join us in Orlando in September.

Rogers Hoyt, Jr.
Chairman of the Board
Ducks Unlimited

Pack your bags and join us for the

83RD ANNUAL DUCKS UNLIMITED NATIONAL CONVENTION

in sunny Orlando, Florida!

Orlando is the perfect city to welcome the Ducks Unlimited family and we encourage all to attend! We are putting the finishing touches on what we believe will be a celebration to remember. Some slight modifications are planned to ensure you feel comfortable gathering while allowing distancing. Hand sanitizers, room to stretch during meetings and events as well as safety considerations when it comes to our group lunches, dinners and gathering.

Our message during the General Session on Saturday as well as the transition of our volunteer leaders will set the tone for a great volunteer celebration. DU has navigated some difficult times and we will emerge from this pandemic with strong resolve!
