Dear Council Member,

15 million acres! I can scarcely fathom that number. That is an area the size of the state of West Virginia. For comparison, nine US states, six Mexican states, and one Canadian province are smaller. This is all thanks to you and the rest of the Ducks Unlimited supporter universe.

Even with all of this habitat secured, we will be doing more, much more. We are a conservation organization that works hand in hand with private citizens; state, federal, and provincial agencies; native tribes; foundations; and corporations. I could go on, but I know you understand.

If Ducks Unlimited has a secret that makes this organization so successful, it is people like you. President’s Council members are a big part of our record achievements. Your engagement as a citizen of the United States, Canada, or Mexico carries the weight and authority of personal financial sacrifice. Together with hundreds of thousands of like-minded conservationists, you are a powerful force for good. Thank you for everything you do.

Finally, our national convention in New Orleans has new dates—September 8–12, 2021. Put it on your schedule. I’d very much love to see you there!

Sincerely,

Douglas A. Schoenrock
President, Ducks Unlimited Inc.
